**Wounding Game:** At any time during your hunt, if an animal is visually wounded or blood is drawn, that is your animal. Your remaining time may be spent trying to locate that animal, but you will not be allowed to harvest another animal to replace the one that was wounded. This is at the discretion of the guide and/or outfitter. This is usually not an issue with our operation due to the fact that we always try to get our clients into the range that they feel comfortable with, but we all know that these things can happen to any of us. Obviously, this is not a form of punishment but more out of respect for the animal and to keep our Big Game Herds Healthy. Thank you for your understanding.

**Terms and Conditions:** A parent or guardian must accompany all participants under the age of 18 during the hunt or fishing trip! This is a FAIR-CHASE HUNT TRIP. LWGS in NO WAY has any GUARANTEES of any kind, written or implied, as to success of any kind on any species hunted for! Both LWGS and hunter will obey all Montana and Federal hunting laws, rules, and regulations. Everyone understands and accepts the fact that I cannot control the influence of weather, fire, or other acts of God, or anything out of my control, which affects the final outcome of the hunt trip. Every hunter acknowledges that there is a risk that they may not even see an animal due to unforeseen circumstances.

In addition, LWGS is in control of the hunting activity and LWGS determines how, when, and where hunting takes place. Hunter must respect LWGS's judgment concerning safety at all times. Every hunter gives me the authority and your permission to terminate the hunt/fishing trip of any hunter/fisherman, including yourself, if theirs or your activity threatens the enjoyment, welfare or comfort of any hunter or guide. It is the responsibility of the hunter to be in good physical condition and to notify LWGS of any medical or dietary needs in advance. **Remember you will be in an area where medical help is not easily accessible.**

LWGS also urges everyone to purchase Ripcord trip insurance at their own expense to cover their trip in case of an unforeseen event causing them not to attend their trip!
